

B. Primary Concentration. Three or four courses not listed in (A) of which at least two support in depth the specific dissertation topic and at least one supports more generally the area of computer science in which the dissertation topic falls. The courses do not need to be related to each other except in that they support the dissertation. These courses may have been taken as an undergraduate and may have been counted toward an undergraduate degree.

| Univ | Dept | Course | Hours | Semester | Brief Title |
|------|------|--------|-------|----------|-------------|
| | | | | | |
