Fudge Points and Grade Assignment

If you sacrificed an assignment, you got 50% of your points as fudge. The scores reported here include these points.

These scores were used to assign an initial set of grades based on the cutoffs.

Class participation and Piazza reports on endorsed answers were used to upgrade some of the students.

Because of the large class size, there were few gaps in the scores. Students with at least one Piazza answer who were on the borderline were also upgraded.

Because of the upgrading, the ranks are a bit messed up.
