Fall 2008

Problem Set #8 (last one)

Issued Thursday, 11/20/08; Due Tuesday, 12/2/08

Homework Information: Some of the problems are probably too long to be attempted the night before the due date, so plan accordingly. Late homework will not be accepted. Feel free to get help from others, but the work you hand in should be your own.

Do the following exercises from the textbook:

Pipelining: Problems 6.1, 6.2, 6.3, 6.4, 6.17, and 6.21

Memory: Problems 7.2, 7.3, 7.4, and 7.5
