

Assignment 04

Assigned: 10 February 2023

Due: 17 February 2023

Study

[What is life like for PhDs in computer science who go into industry?](#)

[Tenure and Promotion at Carolina: A Quick Guide for New Faculty](#)

UNC doesn't appear to have a document like this specifically directed at computer science, but other universities do. Find one and read it (maybe from your undergrad school if they have such a document). Here's an example I found:

[The Tenure Decision](#)

Write

If you have any interest in full-time teaching during your career:

Write a 2-3 page essay on
"Why I'm interested in full-time teaching and the rewards I hope from it."

If you have no such interest:

Write your essay on
"Why I don't want to do full-time teaching."
